“ My heart was caught when I saw you lost your precious son Jordan and I wanted to send my warmest condolences to the family. To lose such a beautiful child, a part of you, can bring such overwhelming grief and our words may not help but Jesus assures us at John 5:28,29 that you will have your son in your arms once again without the pain we see today. Until God's promises come true may every good thought, every memory of the love you felt, flood and overtake you with calm and peace to help you through the dark moments.
