“ *R.I.P. Joe my trucking brother. We just talked a few days before you passed on the phone on a three way call with Bill. You were the best Joe. Running juice loads with you up to Canada with Indian River Transport and sitting down and having Sheppards Pie in Pickering, Ontario. Your going to be missed brother and your on your last journey driver up to great big sky. Going to miss our weekly chats and I'm still in shock over this but you will always be held in high regard by this driver and you were a wonderful human being. Prayers for you, your family, and your friends.*
