“ I really only knew Josh from the basketball court, but you learn about people's character there. He had great ball skills and always conducted himself as a true sportsman and gentleman. Teacher-Pupil is what he would always say when we got matched up on each other because I was a lot older than he, although he generally got the better of me. Rest in peace my friend and save a spot for me in the game up there, I want to be on your team!

“ Dear Chaffin family, I am very sorry for your loss. The Bible gives us a wonderful hope for the future. In John 5:28,29 it says "Do not marvel at this for the hour is coming in which all those in the memorial tombs will hear his voice and come out." We can have confidence in all the Bible's promises.

“ I am still so in shock, y'all have been my family as long as I can remember. I love you all so much and I am so heartbroken for everyone. Josh is now at peace with MawMaw catching up on the past few years. I know how she smiled from ear to ear when she seen him walking through the gates. Know that y'all are so loved and the world just doesn't seem to be the same without Josh's physical presence. I will hold all the memories I have close to my heart always! Love y'all PTS!
