“ *Our deepest sympathies for your loss. We will treasure our brief visit with Aunt Joy and Norman last winter. She seemed so proud of her family - showing us pictures and sharing family stories.*

“ *She was the best mom. She had many years of hard life, but always stood by us kids and gave us the best support she could. We are so thankful for the last 9 years that she shared with Norman and enjoyed life in a way in which I suspect she had always dreamed. I will forever treasure some of the last few conversations I had with her asking things like "How long does it take to get from here to heaven? Does the soul go immediately or after cremation?, and others. She now knows the answers to these any many more questions all of us have as she is in the presence of our risen Savior and she is pain free. I thank God.*
