“ *I have known Aunt Joyce for over fifty years. She was a quiet, caring and kind person. She was a devoted wife to her late husband Uncle Carl. I recently visited her in hospital. Despite her illness, she displayed a warm and welcoming spirit. She has lived a full life and now the Lord has called her home. She is now free from the trials and pain of this life. May the angels escort her to her rest in paradise. From Dor and family.*

“ My dear friend you made me laugh and I will cherish every day that I got to spend with you. You taught me to love everyone, show respect towards everyone and most of all be yourself at all times. You gave me some of the best advice that a mother would give to her children. Rest in peace my friend. I will miss you.
