“ *Judy's Family, I knew Judy as a co-worker at The Hospital and I also served on the board at LARC. She was very kind to me and she was always there to answer questions regarding the business of the corporation of which I had many. May you find comfort in your memories. Susan Harmon .*

“ *Years ago when we lived in Sidney our daughters, Hannah and Emily and Molly were friends with Kerri and Colleen Shea who lived a block away. Judy loved to hear my husband, Arthur play his guitar and sing and invited us a few times to their house. Kerri and Colleen were with my girls a lot and those were the happy years for our family. I was very sorry to hear about Judy's untimely death. I remember her as a very kind lady with a good sense of humor. Kerri and Colleen and the rest of the family, I'm very sorry for your loss.*

“ *We send our condolences to John, Judy's mom and her family. It was Dale's priviledge to officate at John and Judy's wedding this year. They loved each other deeply and brought much happiness into each other's lives. Judy was much loved, lived a good life and died too young. May Judy's memory be a blessing to all of you. Warmly, Dale and Raoul Garfinkel*
