“ Judy and I worked together 7 years at Oakhurst. We laughed our way through the hours. It was usually AT me. She could always find a way to pull one over on me, or make fun of something I said or did. We had some great times together. She was as caring and giving a person as I ever knew. She made sure her people were well cared for. She was the best. I can not help but see her with Iva now. I am so thankful for the memories. Happy trails my friend until we meet again. Billie you are in my thoughts and prayers

“ I will always hold a special place in my heart for Judy. She always made sure Billie Jo had what she needed growing up and I was Billie's best friend. I remember making her laugh and spending a lot of time at her house. She was the first single mom who I really knew and saw how much sacrifice she gave to her daughter, who was her life. Her strength was incomparable and her love of animals was one of my earliest influences of just how much someone could care for them. You will be missed, Judy. ("Be your best friend!") Love, Marlena

“ *Dear Billie Jo and Family, Judy and I go back 24 years as friends and neighbors as you know. Strangely when we met I was fighting the same illness and Judy was there to show me support, kindness and always keep me laughing. I will never forget your Mom and all the wonderful times we shared. I only pray I was able to help her feel some comfort, enjoy some laughter and memories during my visits. I think I did as she reminded me of a couple zany things her and I did that had slipped my mind. Please accept my deepest sympathy. Know that I am praying for everyone to find Peace and some comfort during this difficult time. My Love to all. Kathy Baird*
