“ You were the BEST Stepmom I could've ever asked for. When we were together you would treat us like your own. It breaks my heart to see such amazing person gone so soon. I have no doubt in my mind that you fought like hell. I know You were truly dad's soul mate. I know you're watching over him. He was at his happiness with you. I know he's gonna be lost without you. “Julianne was my manager when I took my first “real” job after college. She taught me how to be a professional in health care in the infancy of my career. I am forever grateful for everything she taught me. I have no doubt she left the same impact on many others. Love you Julianne.

Juju it's almost surreal to think your not here. I keep thinking I will get a random text, hilarious voicemail or one of our check in calls. You are so truly missed by so many people and even with you being gone your still bringing so many of us together in your typical fashion. Your such an amazing women, daughter, mother, wife and friend. I miss you my Chica and hold you close to me daily. I know you watching over all of us. We love and miss you more and more everyday. To our Dear Juju, you are loved and missed every minute of every day!

We watched you in the hospital, we prayed, had hope lost hope and in the end you went to be with God and the angels.

I read all the comments about you and they are so true! A giver, daughter, mother, wife and friend! You had a great sense of humor and a strong work ethic, working hard for what you wanted in life!

When we would visit from CT you made sure to spend time with us, recommending the best places to dine and visit always opening your home with a smile.

You will forever be loved, missed and never forgotten!

Rest in Peace our dear Juju, until we meet again!

Your cousin, Julianne
