“ It has almost been a year since June left this world and went to her eternal home in heaven. I pray that God will give you peace during this difficult time of remembrance. While it is our loss that causes pain our memories of June give us comfort. Scripture encourages us to comfort one another. This would be a great time to gather together and remember what it was that touched our heart about June. Blessings, Pastor Ronnie.

“ Although I did not know June personally, we were friends on Facebook and played Criminal Case together. I could tell though that she was a very happy person with a very loving family. She had the most beautiful smile and I am so sorry for your loss.
