“ So many things to say, yet at such a loss for words to convey 35 years of friendship. You were fiercely loyal, hard working, knew your stuff when it came to horse care...because you learned from the best and at a time where horsemanship and husbandry counted and was expected! You didnt follow, you made your own path, and you taught your kids to speak up, believe in themselves and there is no limit to what they could do. You were there for so many. Thank you for letting me be there for you. Having the moments to go out to dinner every Thursday, then how you began asking about my faith, you wanted what I had and I was certainly glad to share. Then you asked if I would pray with you to receive Jesus into your heart. Oh, Tina, you are now at your resting place, walking the streets of gold. You arent missing anything here, but we are missing you. Until we cross the river...Angie

“ Thanks, Tina, for sharing your love of our for legged friends. I appreciate learning from you and working beside you. You were a fiercely loyal friend and spoke out for justice. Job well done; rest easily now.
