“ *Your kindness has inspired me in more ways than one. The time we shared meant so much to me and I had a lot of fun. Your strength is amazing through this hard time. You're more than a mother-in-law, you're a best friend of mine. Although you're gone, I'm not alone, and never shall I be, for the precious memories of the bond we shared will never depart from me. Our love surpassed the ups and downs*

and helped us along the way,

and that same love will give me strength to manage this loss each day. On my mind and in my heart,

Mom (as i fondly called you), you shall forever be, for just as much as I am a part of you, you are a part of me!

“ *So sorry to hear about Karen's passing. Living clear across the country, I haven't seen Karen or the family for years - but will always remember those family reunions...especially those in Superior, Montana. Our thoughts and prayers are with the whole family....*

“ I met Karen in Kentucky while visiting with Roy. She made me feel like family within 5 minutes of meeting her. Her loss is heavy. Not many people make such an impact on this world, but Karen did. Her door was always open, laughs were plenty and don't tell Dennis, but clothes were optional in the pool!
