“ So very sad to hear of Karl's passing. My thoughts and prayers go out to the family. Karl and I were classmates at Seminole High School years ago and he was a great friend. I am sure he will be missed by many. God Bless.

“ I had the pleasure to meet Karl at Sam and Jen's wedding. When I told Karl what a great job he had done as the father of Sam I saw the pride in his eyes and heard the love in his heart for his family. I knew I was talking with a great man.

“ We are very sad to hear of Karl's passing and offer our love and condolences. We thought so much of Karl and enjoyed his company. He was always thoughtful, sensitive, caring and genuine....and he was taken from us far too soon. We will send up prayers and positive thoughts for you daily.

“ I am sorry to hear about Karl. I worked with him at E-One in the late 70's. He was a wonderful colleague and later I found we attended the same church. I will miss him.

“ I am so sorry for your loss. The death of a loved one is never an easy experience. However, our Heavenly Father has promised a wonderful future when we will be reunited with our dear loved ones under perfect living conditions (John 5:28,29 and Isaiah 65:20-25). By reflecting on what these promises mean for you, your family can be strengthened to endure the days ahead. For more info, see [jw.org](http://jw.org). Take care.

“ Dear Raabe family, I am very sorry for your loss. The Bible can give us much comfort during difficult times like these. In Psalms 34:18 it says "Jehovah is close to the broken-hearted and those who are crushed in spirit he saves." We can be sure that God does care for us.
