“ *Dear Kirsten and Jeff, I am so very sorry to hear about Kathy's passing. She in all ways was a remarkable woman. She was so very smart and talented and tirelessly gave her knowledge and help to all who asked. She brought many great ideas to Ft. King and helped our students with love and determination. “ I am so, so sorry for your loss. Life is incredibly unfair. Kathy and I were cousins, almost the same age. Alan, my brother, shared a birthday with her. Maybe that's why we had all those family reunions in the summer. Although our lives took very different paths, I sure do miss her now.

“ I am so sorry for the loss of Kathy. The last time I saw her, she came to Chicago with her family during Christmas 2012. All of us went as a group and walked to some of the sites in Chicago. She really loved the Art Institute and the Bean by lake Michigan. But the funny thing was when she kicked all our butts and won the money playing Christmas Pong. We took a picture and I will always remember that big smile on her face. Kathy, Kirsten and Jeff have always been in my heart and prayers, and will be forever. love Aunt Vicky.

“ Kathy was taken too early because she had a lot to contribute to Ft. King Middle. She was very knowledgeable about many things and helpful. I don't know a person who didn't like and admire her. She gave me advice on high school and college for my daughter. She always asked how she was doing in college and always smiled and gave encouraging words even though she never met my daughter. She was a good soul and I will never forget her. I know she is smiling and helping others in heaven now. We will all miss you Kathy. With Much Love, Michelle Nevarez
