“ Aunt Heather, Peter and James, Rick and family, Hilary and family, and Leslie, We were so saddened to her of Kathy's passing. It was quite a shock and had me to reflect on how precious life is. Remembering Abington, Whitman, and Cape Cod with all of you seems not so long ago now. Arthur, Jonathan, and I are keeping Kathy and all of you in our prayers. With much sympathy, Arthur, Lisa, and Jon

“ I had the distinct privilege of knowing and collaborating with the lovely Kathy Castro in our roles as dialysis nurses. She was so much more than that. She was a delight and such a warm and loving human being! Being in her presence could lift you up and make you feel better and calm. She definitely had that effect on those of us who worked with her as well as her many patients who she infused with love and confidence as she trained them to do their dialysis at home. Kathy, you will be missed and the world will be dimmer without your light. My sincere condolences to all who will miss her. Diana Sherris, RN

“ Please accept my deepest sympathy with the passing of Kathy...it seems like yesterday that we were all kids visiting each other either at "The Tern Inn" or "The Old Wharf Inn" on Cape Cod. I will always remember Kathy's beautiful smile and gorgeous red hair! I only wished that I lived closer so that I would be able to attend her services. You are all in my thoughts and prayers. Love, Brenda

“ I have fond memories of Kathy growing up on Cape Cod. She had a wonderful smile. She was a gentle person and loved animals and was very kind to people. It's sad to know that she is gone. Love, Uncle Suds
