“ Dear Roy and Family, My heart goes out to each and every one of you with thoughts of how you must be aching. The magnitude of your loss is unimaginable. Although I only knew Kathy for a few years, and only on Mondays at Bunka, I was always struck by her warmth and caring way. She was so welcoming and cheerful each and every time with many a joke to share. I feel fortunate indeed to have been with her ever so briefly and been part of her joy of life. May the warmth of love help to bring some comfort.
