“ *Kathy, You remain with us each day. The Mandisa Concert was a pleasure. I kept wondering if you were there in spirit. When she sang the song "STRONGER" I especially thought of you. Know the song comforts us as we gain strength knowing that you are in a perfect body with no needs, worries, or fears. I can only imagine from the descriptions in the Bible what Heaven will be like. I anticipate the day. You come to mind and I see you all the time. Moments that I glance and I see a gold Chevy Venture van, I think of you. Thoughts of fun times, events and many of kids birthdays. Then yours comes along in the same month as mine. Dunkin Donuts and gourmet coffee brings you back to me. I was at Wild Waters and saw a mother and grandmother take such great care and go ABOVE & BEYOND for her ESE daughter. I saw great love shown for her wondering if you too had any influence in her life? I know how much you cared for all that you helped. You will continue to be with me and the family.*

“ While I never had the pleasure of meeting Kathy, I feel like I know her through the posts that Ginger Varnell Plummer shared on Facebook and the posts on Caring Bridge. It is obvious to me how well Kathy was admired and loved by all who had the honor of knowing her. There is no doubt in my mind that she is in Heaven watching over all the family and friends she had to leave behind. My heart goes out to her family and to her three beautiful children. I pray that GOD will help ease your sorrow and that you will find peace in knowing she is no longer in pain. ~Nicole

“ No matter how long between talks and visits you could always make it feel like just yesterday, you always make us feel so welcome in your home. From family, school, church and politics, you have always been so eager to help, to make a difference. How will so many manage without you. I know you changed the course of my life and that of my family. Such inspiration your life gives us. I thank our Lord for blessing us with you.
