I never saw you without a smile. Even in 7th grade that smile was there. Thank you for making me laugh every time we ran into each other and welcoming me into your home. You will be missed. Until we meet again.

“ Words cannot express how heartbroken I am that my lifelong best friend is not resting in the arms of our father Myron you're genuine friendship and brotherhood that you've shown me and my family will never be forgotten. No more doctors appointments, treatments, medications or anything you can now rest and rejoice. I will always love you. 40+ years of friendship is not taken lightly but it's definitely hurting that's physically I can't see you anymore. Eternal love my best friend
