“ Hey mama... I know we weren't super best friends, but the bad news have me very very sad. I know you were a great mother, and you will continue to be, from Heaven. I know you are watching little Karina from the Heavens above. I know you were a soldier, you fought for what you wanted. You moved to FL to give a better life for Karina. She is a beautiful little girl. When she gets older she will know that she had a loving mother, who did a wonderful job but was called to meet our Heavenly Father too soon. I wish Karina was here in Ohio, her and Madison could be friends... R.I.H beautiful

“ My Kendall, the news that you Are no longer with us have broken everybody's heart. You was known to be such a kind person & a great mother . In such a young age, you gave up everything just for karina & in that age no young mother does wat you did for your baby. Even tho we wasn't super close you left an emptiness in my heart. I will always remember the last conversation we had. You gave me a good example of how to be a great mother . You will forever be missed Kendall. RIP. My condolences for the family.

“Life brings tears, smiles and memories. The tears dry, The smiles fade, But the memories, they last forever..” When I think of you I think of all the conversations we had... I can't help but smile every single time. I miss the light that poured from you Kendall.. It fills my heart with joy to know you finally found yourself. It fills my heart with warmth to know you got to come home one last time before you left us.. I know how much you missed home.. Nothing makes me happier than thinking of the conversation I had with you about your hopes and dreams and remembering you telling me you were never afraid to fail Karina.. Because you knew that you never would. You were always so fearless, I loved that about you. I hope you know you never did Kendall. Not once. If you were ever anything at all it was a selfless mother. . It's heartbreaking to know Eliana will never get to know Auntie Kendall.. That the only time we had was this past visit but I'm so very grateful for that time we were blessed with. You will always remain a part of our lives;; Ellie will have the relationship with her big sister like we had always planned.. Always in our hearts, never to be forgotten. Rest easy babygirl. You finally got those wings you always dreamed of having❤️ Fly highh and watch over us all beautiful. With endless love, Britt&&Ellie

“ Well... No words could ever describe how I've felt since I heard this heartbreaking news. Me and Kendall shared many wonderful times together in middle school. Got so close. Everyone loved her & her dire need to be there for everyone and just be silly.. She's so gorgeous inside and out and Heaven better know how lucky it is to have such a beautiful angel. Even though it had been a couple years since we truly caught up, our memories we shared will never be forgotten. You were the definition of a true, real friend. Sending my condolences to Kendall Dawns family.

“ A Letter from my Beautiful daughter to all of us that loved her my sweet sweet girl..... To my dearest family, some things I'd like to say But first of all, to let you know, that I arrived okay. I'm writing this from heaven, here I dwell with God above Here, there's no more tears of sadness; Here is just eternal love. Please do not be unhappy just because I'm out of sight; Remember that I am with you every morning, noon, and night. That day I had to leave you when my life on earth was through God picked me up and hugged me and He said, "I welcome you." "It's good to have you back again, you were missed while you were gone, As for your dearest family, they'll be here later on. I need you here badly, you are part of my plan, There's so much that we have to do to help out mortal man." God gave me a list of things that he wished for me to do And foremost on my list is to watch and care for you. And when you lie in bed at night; the day's chores put to flight, God and I are closest to you, in the middle of the night. When you think of my life on earth, and all of those missed years, Because you are only human, they are bound to bring you tears. But do not be afraid to cry, it does relieve the pain, Remember there would be no flowers, unless there was some rain. I wish that I could tell you all that God has planned, But if I were to tell you that, you wouldn't understand. But one thing is for certain though, my life on earth is o'er, I'm closer to you now than ever was before. There are many rocky roads ahead of you and many hills to climb, But together we can do it by taking one day at a time. There is a very wise philosophy and I'd like to share it with you, That as you give unto the world, the world will give unto you. If you can help somebody who is in sorrow and pain, Then you can say to God at night, "My day was not in vain. And now I am contented, that my life is worthwhile, Knowing as I passed
