“ *Kenneth and I went to the same school in Jamaica.....St Jago High School in Spanish Town and we were in the same class. We were very close friends then, and formed a friendship that endured through the years, along with his brother Peter. So many great memories of Kenneth, which will stay with me forever. God bless you Kenneth, and may you sleep in peace my friend. xxxxxx*

“ *The first candle represents our grief the pain of losing you is intense it reminds us of the depth of our love for you.*

The second candle represents our courage

To comfort our sorrow

To comfort each other

To change our lives.

The third candle we light in your memory, for the times we laughed,

The times we cried,

The times we were angry with each other,

The silly things you did, the caring and joy you gave us.

The fourth candle we light for our love,

We light this candle that your light will always shine.

As we enter this holiday season and share this night of remembrance with our family and friends.

We cherish the special place in our hearts that will always be reserved for you, Kenneth.

We thank you for the gift your living brought to each of us.

We love you.

We remember you.

Your brothers and sisters,

Lloyd, Gigi, Victor, Peter, Tony, Mike, Annette, Anne.
