

Kenneth Seeling

April 23, 1920 - July 6, 2018

Kenneth Paul Seeling - who was born April 23, 1920 at 8:00 a.m. in the City of Bel Air, Maryland, to Chauncey Seeling and Martha Seeling (Mitzel), and who died on July 6, 2018, at 5:58 p.m. in Ocala, Florida. Life-long husband to Frieda Seeling (Winterholler), who was born on May 22, 1919 in the City of Worland, Wyoming, and who died on January 8, 2004 in Ocala, Florida. Kenneth was working for Mobil Oil Corporation in Detroit Michigan before he met and married Frieda just before World War II broke out. He enlisted in the Army Air Corps in 1942 and served in the Asiatic-Pacific War Theater until he was Honorably Discharged as a Master Sergeant in 1945. He returned home to Frieda and resumed working for Mobil Oil Corporation until 1979 when he and Frieda retired to Ocala Florida. Kenneth was a devout Christian and he eagerly looked forward to meeting Jesus in person and being reunited with his Frieda in Heaven. Kenny was a legitimately good man, quietly helping many people and families throughout his very long life. Everyone who knew Kenny loved him, and he will be greatly missed by those of us who he has left behind
