“ Will miss greatly my BEST friend and Uncle. He was always there to help and encourage me though out my life. It was his idea to plan a water-ski trip around Grand Island [N.Y.] A N D we did it. About 35 miles around with his boat and I never fell. What a Captain !! Nov. 1st we were coming to visit, UNCLE, why couldn't you wait for us ? Love you and all our memories faye, & Don too
