Obituary of Keoni Ruiz KEONI K. RUIZ JUNE 16, 1971 - APRIL 21, 2012

Keoni was born and raised in Brooklyn, NY. He eventually moved to Staten Island, NY and then recently to Ocala, FL. As a former member of the U.S. Army, he served in "Desert Storm" but unfortunately did not accumulate enough war time to be eligible for health benefits or life insurance. During his childhood years, he took karate lessons, which he continued through his adult years. He participated in many competitions, won countless awards and eventually earned a second degree black belt in karate. Besides martial arts, Keoni also fought in amateur MMA fights. He loved to fight and was known as "KEONI PITBULL RUIZ." Unfortunately, he only had a chance at a few bouts before he was injured in Mexico and was unable to fight again. Alternatively, he taught kickboxing. Because he incorporated so many different routines, everyone loved his classes and always seemed to come back to him. Above everything else, Keoni was a personal trainer. This was his passion. He loved to train people the proper way. He was especially proud of his clients when they would meet their goal. Nothing made him happier than to help his clients see results and to know that he was the one who helped them. Keoni was a wonderful man and was blessed to have many friends and family members who loved him very much. He had the most amazing smile. It always made me feel better whenever I was sad. Plus, he always knew the right thing to say to make me feel like everything would be ok. Above and beyond, he was always there for everyone whether it was to talk, listen, offer advice, or as a

shoulder to cry on. There are so many great things I can say about Keoni and it still would not do justice to him. If you were lucky enough to know him, you would have been a witness to a person who was amazing in every way possible. He spent a lot of time taking care of me, his wife, Jill. Though, I am disabled and have many health problems, he tended to my every need without a single complaint of any kind. I know he enjoyed caring for me because that's the kind of person he was. Even though we were only married for 5 and 1/2 years, Keoni came into my life and showed me what true love really was. We were both able to experience a life in which every day was filled with love and bliss. Love is a wonderful thing and to find such unconditional and real love is amazing. We were both very lucky to find the person who we were meant to be with. We were each other's soul mate. Though only for a short time, our love was just perfect, and brought so much happiness and joy to my life. I will love you forever Keoni. Still, Keoni did have one regret. He would have liked a better father and son relationship with his son, Christian. They were not on the best terms. He was trying to make things right, to fix all the damage that had been done, mostly on Keoni's part as a father. He thought that he would have had the time to work out all the difficulties and misunderstandings later once Christian was older but, unfortunately that never came to be. Christian, your dad loved you so much. He would cry at night because he blamed himself for how your relationship with him had ended up. Please do not blame yourself. He would not want you to feel any guilt or sorrow. Keoni loved you very much and was so proud of you, Christian. Keoni K. Ruiz is survived by his wife, Jill Ruiz; his son, Christian Ruiz; his father, Noel Ruiz; his mother, Heather Scarda; and his step-father, Bernard Scarda..

“ Hey Baby, I miss you so much everyday, I keep wondering if you were still alive how different my life would be. Everyone keeps saying to me that as time goes by it wont hurt as bad, that's a bunch of bullshit. Everything I see or do reminds me of you and I start to cry. I cry so much over losing you. Just know no matter what you will always have a piece of my heart. I love you and miss you so much xoxo

“ Hey Sparky, **HAPPY ANNIVERSARY!!!!!!** 9 years ago today we went out on our first date and it was so wonderful. I looked like a mess, worked all day at the travel agency, then went to 2 classes that night, but you insisted on taking me out for something to eat. SO after class i took the bus to Staten Island and you picked me up at the first stop after i came over the varrizano bridge. You looked so handsome and gave me a kiss on the cheek. We went to the Colinaid dinner and i told you I'm to old to play games, I'm not gonna drink a glass of water with lemon in it. I want a cheeseburger with cheese fries and a Corona, you were so impressed you ordered the same thing. Within a month of our first date you were living with me, the 9 months later we got engaged. You will always be the love of my life. I still celebrate all of our anniversaries and i always will. You are a part of me and i will never forget you or stop loving you. Love Ducky

“ Hey Baby, I am so lost without you, I don't understand why you left me. You promised me we would grow old together, and now i'm all alone. I hate living without you. I'm so sorry we moved to Ocala, it was always bad luck for me. Everything bad that has happened to me happened here. I'm so sorry. I cry all the time for you. Why did you die on me? I can't live without you anymore. I'm sad all the time and when i'm not sad i'm so mad that you left me. Why did you die, why did you leave me? Don't you know how much i need you? I wish god would take me too so we can be together again. I miss you so much! I love you so much! Love Jill

“ HEY SPARKY, I MISS YOU SO MUCH & I LOVE YOU SO MUCH! I'M TRYING TO GET HELP DEALING WITH MY GRIEF, BUT IT IS SO HARD. I STARTED GOING TO A GROUP THERAPY THAT LAST FOR 5 WEEKS, HOPEFULLY I WILL GET SOME HELP FROM THE GROUP. I STILL SEE MY THERAPIST ONCE A WEEK, BUT TO BE HONEST I DONT KNOW IF IT REALLY IS HELPING OR NOT. I TELL PEOPLE I'M FINE BECAUSE I THINK EVERYONE IS SICK OF HEARING ME CRY ABOUT YOU SO IT EASIER TO PUT ON A FAKE SMILE SAY IM FINE, AND CRY FOR YOU WHEN I'M ALONE. AND I DO CRY, I CRY FOR YOU ALL THE TIME. EVERYTHING MAKES ME CRY FOR YOU. THE VOICE STARTED THE NEW SEASON AND I TRIED TO WATCH IT BUT I BROKE DOWN IN TEARS AND I STARTED CRYING SO HARD BECAUSE THIS WAS OUR SHOW. WE WOULD SAY WHO WE LIKED AND DIDNT AND WHO WE THOUGHT WOULD MAKE IT AND WITHOUT YOU SITTING NEXT TO ME I COULDNT WATCH IT BECAUSE IT HURT SO BAD. MY HEART STARTED POUNDING SO HARD AND I WAS CRYING SO HARD AND I COULDNT BREATH, IT WAS SO BAD SO I SHUT IT OFF. THAT HAPPENS WITH A LOT OF SHOWS OR FOODS OR ANYTHING THAT REMINDS ME OF YOU. EVERYTHING AROUND ME REMINDS ME OF YOU. I MISS YOU SO MUCH. I MISS HUGGING YOU AND KISSING YOU AND MAKING LOVE TO YOU. I CAN GO ON & ON ABOUT WHAT I MISS ABOUT YOU BUT THE LIST WOULD BE SO LONG. I LOVE YOU TILL THE END OF TIME AND THEN SOME. YOU WILL ALWAYS BE IN MY HEART & I WILL NEVER STOP LOVING YOU NO MATTER WHAT! LOVE, DUCKY

“ lyrics by adam sandler I Wanna grow Old With You I wanna make you smile whenever you're sad Carry you around when your arthritis is bad All I wanna do is grow old with you I'll get your medicine when your tummy aches Build you a fire if the furnace breaks Oh it could be so nice, growing old with you I'll miss you Kiss you Give you my coat when you are cold Need you Feed you Even let ya hold the remote control So let me do the dishes in our kitchen sink Put you to bed if you've had too much to drink I could be the man who grows old with you I wanna grow old with you I dont understand what happened you promised me we would grow old together, 40 years old is not oldyou promised me....its so hard to go on without you i need you in my life its not fair that you were taken from me so soon I LOVE YOU FOREVER AND EVER TILL THE END OF TIME AND THEN SOME

“ Coco misses you so much. Every time i take him for a walk he sees our car and he gets so happy, runs in circles, does his little jumps, wags his tail so hard, and then he relizes your not there and he puts his head down and walks away comes in the house lays on the couch and wimpers, You and Coco had such a great sweet bond and he misses that, i guess we all do. I miss you so much, and would do anything to have you back...I LOVE YOU SO MUCH & MISS YOU SO MUCH!!!!

“ *Keoni, when you passed away on April 21, 2012, you left behind some aching hearts... your family and friends will miss you most but in our hearts, you'll still live on. "Always in our Hearts" (In Memory of Keoni) "Though you've passed on before us You're always in our hearts, And though we're not together We'll never be apart. To lose you when you were so young Leaves such an empty space, Our only consolation - You're in a better place. Put your arms around him Lord And treasure him with care. For you have in your possession A loved one beyond compare."*

“ *i first met Keoni in the late 90's at a gym that he worked in, we immediately began talking and hit it off having similar martial arts backgrounds...a true gentleman and class act who was always the first one to try and help someone and offer advise... Keoni was clearly taken too soon from this world and from his wife Jill who was also his best friend. my condolences and thoughts go out to his family during this difficult time....*

“ *Fading light dims the sight And a star gems the sky, gleaming bright
From afar drawing nigh, Falls the night. Day is done, gone the sun
From the lakes, from the hills, from the skies All is well, safely rest;
God is nigh. Then goodnight, peaceful night; Till the light of the
dawn shineth bright. God is near, do not fear, Friend, goodnight.*
