“ My heartfelt condolence to the bereaved children (Sudesh, Nalini, Leena, Babita, Malo and Danny), siblings (Motie, Seeta, Ramesh, Indra, Eno and Jag) and the extended family  
Didi Data was a unique individual who embodied an ocean of love for her siblings, children and held great respect in her neighborhood and elsewhere. Her material journey has left trails of her service to humanity, dedication to society and most of all a legacy of devotion to that Supreme as seen in her offspring which will forever live on. May Bhagwan Krishan accompany her atma to his abode. Om sadgati... Jai Krishna hare shree Krishna hare....
