“ *Earth has no sorrow that Heaven can't heal. To the family, friends and extended family at CTAE, Kristi was a ray of sunshine. So whenever you look in the sky and see the beauty and feel the warmth of the sun, remember Kristi. You are in my prayers are with you and the comfort of God surround you. Janice Ellis*

“ I am praying for your family to find peace in the midst of this tragedy. I worked with Kristi for eight years at CTAE. I spoke to her last as I left Friday. She was proud of losing 11 pounds (she had joined my gym recently) i offered encouragement and told her to keep up the good work and don't give up. Daily, you always knew when she was in the hallway passing your office because of her boisterous laugh. I told her many times how creative and talented she was and I really wished I had a fraction of her talent. She often had random (odd) items in the back of her truck. Later I would see what she had created with them somewhere in the building. She was so talented and could foresee the end results of her beautiful projects. She decorated our hallways, entry way and offices like a professional. I knew she could easily get a job in that field elsewhere. She will be greatly missed here at work. She was a force to be reckoned with and her creativity was one of a kind. God Bless.

“ Dear Lord, please comfort those in grief, Love them lift them, give relief. For loss they've suffered, sadness felt; Make this sorrow slowly melt. Lord, let happy memories ease, Creating peace like a gentle breeze, And as you help them make it through. Draw them closer, Lord to you.

“ *The sorrow that you feel, the heartache that you bare. Though we cannot comprehend, we still deeply care. May it comfort you to know we lift your name in prayer, may you lean upon the father for he is always there. It was a pleasure having Kristi in the presence enjoying the passion of her work. Truly missed, but not forgotten.*

She was a bright light that shone on all of us that had the pleasure to know her.
