“ For whatever reason, when a person moves away it seems like eventually you drift apart. Fortunately, memories are always with me and I have many of the times Lee and I shared along with the kids. May your memories help you through the coming days. I felt Lee was always ahead of the times. Was very sorry to read her obituary in the paper today.

“ Aunt Sue DeSalle Danylo kids and first cousins from Monaca, PA, where Lana was born. We are all so sorry to hear about Lana's death. What a wonderful person your mother was. I spent time with your Mom in the last few years going over genealogy of the DeSalle family. I remember seeing photos of the beautiful knitted sweaters and argle socks your Mom made. How she went to night school to obtain her BS degree in nursing, and how she met your father as a Wave in the Navy. I remember all of us being so excited to see all of you come out to see Grandma and Grandpa from Massillon. What great memories we have. Our prayers will be with all of you. God bless all of you. Love, Cousins Patsy, Jimmy, David and Cindy
