“ I feel thankful to have shared some nice memories of Larry and his family. My heart goes out to all of you, especially Mr.Lindsay. Whenever I sit down and think about him, I always see a smiling face and a welcoming hello. He was always so concerned and interested in us young people and always had some wise words to share. I'm glad he shared those moments with me, and I feel lucky to have had the opportunity of having some great times with him and his family. Goodbye Larry, my prayers are with you.
