“ Larry buddy I know you are in a better place. I will remember our fishing trip together. I know you are catching them bass in heaven. You are missed.

“ Uncle Larry. My Godfather, my Mom's best friend, bingo partner and brother, and a huge part of our family's childhood. We were blessed to have him as part of every holiday, birthday, and game night. I remember the fun of waking him up on Christmas morning and loving the gigantic Barbie camper that he was so excited to give me. He would entertain us at dinner with tons of stories about growing up with Mom, fishing with Len, or visiting Disney with our cousins. Then he would help me find the best hiding spots for Hide & Seek... like inside of that same Barbie camper box! I enjoyed our car rides through Brooklyn when he would let me steer (just a little), finding him with a pot of coffee at the kitchen table with Mom for hours, the long weekends at his campsite Upstate with Paulette, and more recently the love he showed to my girls while getting to know them on trips to the Smoky Mountains and to Jax beach. We love you Uncle Larry. You will be missed but never forgotten. 💕

“ My Uncle Larry "Unc" was a force in so many lives. He loved his family, loved to laugh, loved football and most of all, he loved to fish. It was in his blood. I took this photo of him when we were fishing in St. Augustine Florida a few years ago.

Somehow, whenever we spoke, the conversation would inevitably turn to fishing and family.

It's a passion we both shared from our lives growing up in Brooklyn and eventually again here in Florida.

I will miss those conversations and his Brooklyn humor most of all.

Until we meet again - Tight Lines Unc !

Your loving nephew

Lenny
