“ *Grampa, , I love and miss you deeply. I think and talk about you all the time. Knowing you was a blessing on my life. You didn't judge me like others. You believed me when others called me a liar. You treated me with respect. You loved to make people laugh. You used your resources to help those in need. You taught me more than you know and influenced me in many good ways. You were a classy man. I love you Grampa. I miss you. Heres to beef steak when you're hungry whiskey when you're dry greenbacks when your busted and heaven when you die , heres to you grampa*

“ *Dear Larry: You were a special person whom I will never forget. I will miss our times together, even though they were brief. You had a special human gift of friendliness and consideration for others, and I appreciate that you were always friendly toward me. It seemed no matter what was on my mind I could talk about things with you and you showed an interest. May God bless and keep you in heaven with him, and I hope someday to join you and laugh again about the twists and turns of our brief life here on earth. Rest in peace, my friend.*

“ Dear grandpa, I remember when i was little and you would come over to our house to spend the night and every morning we'd wake up at the same time and watch *The Little Mermaid* together. I know from what my mom has told me that you adored me alot. I loved talking to you on the phone and you always asking me silly boy questions. Like, always asking me if i had a boyfriend and whatnot. And I especially miss hearing your laugh. If I sit here and think about what it sounded like, I will cry, so I'm not going to do that. I will miss talking to you on the phone and seeing you whatever chance I got to. I will never forget you because you were the best grandpa any girl could ever ask for. I love you very much and i know that your up in heaven on a fluffy cloud watching me at this very second. I'll see you when I get there, jessica.

“ Dearest Crystal and Aaron, Our family grieves with you upon the loss of your Dad. Although it has been years since I have seen the two of you and your Dad, he and I had kept in touch in recent years and I will also miss him deeply. My Mom (Aunt Maggie) talked so much about your Dad and you kids and how he would keep in touch with her and Aunt Doris. She often talked of his love for his family and said he never failed to end their conversations with an, "I love you". Please know you are so loved by the Stults family and I'm sure so many others. You are in our hearts, thoughts and prayers.
Love, Teresa

“ Dear Dad, Some of my fondest memories are the vacations we shared in Astor and the Stults family reunion in 2002. Thank you for taking me on a tour of the different places you lived as a child, where you and Mom lived when you were first married, and where we lived when I was a baby. Thank you for being there for the birth of my daughter and loving my children. I am so sad that you are no longer with us, but I know in my heart that you are in a happier place. I will always cherish the good memories we shared and you will always hold a special place in my heart...because you were my Dad...and once upon a time I was Daddy's little girl. Love Always, Crystal

“ Many years have passed since your Dad and I were married but I still remember all of the good times, and the best of all those years was the two Great Blessings we shared, Crystal and Aaron. On more than one occasion Larry took time to thank me for the two of you. No thanks needed it was my pleasure to be your Mother. I'm truly sorry that you didn't have more time with your Dad. All my love, Mom
