“ I will never for get you. I lost you but you have always been the love of my life. There will always be a spot deep in my heart for you. I also remember that you let me not only sit in your 58 Chevy but let me drive it. I was so proud of that. I loved your Mother and miss her very much. I have visited you many times and had wonderful talks with you.

“ D-Day & Danielle; I am SO Sorry to hear of your loss, this is the first I have heard of Larry's passing. Larry was a very good man, I remember sitting in his Lazy Boy Massage chairs in Alabama, with him, and watching the football games, just enjoying. He was a kind-hearted, compassionate man and very easy to talk to. I wish that I had known him under better circumstances at the time. I wish you both the best.

“ D-Day and girls, I just learned of Larry's death and was so shocked and sorry to hear the news. He was my "boss" for several years when I was Pastoral Care Manager at St. Vincent's and was always so supportive of Pastoral Care and all of "his people". Our thoughts and prayers are with you all at this time. He was a wonderful man.

“ D-Day, I just heard about dear Larry from Susan Sheffield. My heart goes out to you and your girls. Larry was one of the finest men I have ever known and always a perfect gentleman. What a great sense of humor. I still use some of his quotes. God lift you in his arms during this time of sorrow. Nancy Lewis

“ D-Day, I only learned of Larry's passing this past week. Larry was a dear friend and so caring, compassionate, and spiritual. I felt blessed that God crossed our paths at St. Vincent's in our 16 years of working together. There could have been no better friend, confidant, or team player, than Larry. I trusted him and he was always supportive of nursing and the patients. He was a giver in many ways. I know, he is now resting in Jesus's arms. He was an inspiration I pray God will bless you with peace. Please stay in touch. Susan Sheffield

“D-Day, I'll never forget those two short years I had at Mercy Hospital in San Diego working for Larry. He was a kind and funny boss who became a friend for life. I'll also never forget him leaving for the day and saying one of the following: "I'm off like a dirty sock", "I'm gonna be like a tree and leaf", or "I'm gonna be like a dog and flea". Also, on my first day working for him he said "you're nervous, aren't you? Honey, you got it made in the shade." What an extraordinary man who was smart, funny and loved his family more than anything. I'm so very sorry he's gone. God bless you D-Day.

“ Larry and I grew up together in Norwood, then going to Phillips High School. Since we were both born after Sept 30 we had to start in mid-year, so we graduated together in Jan 58. I went on to the Univ of Ala, then Atlanta, back to Bham, then to Montgomery for the last 23 years and lost contact with Larry. I am truly saddened to learn of his death. My deepest sympathy to his family.

“ D Day, I am so sorry for your loss, it seems like only a short time ago I talked to Larry just before you guys moved to Ocala. I have some great memories of double dating with the two of you and Sue. I think I was one of the first persons Larry allowed to sit in the back seat of his 58 black Chev. My thoughts and prayers help you and your family in this your hour of need. May God Bless you. Anthony
