“ I can't believe you're gone. As a baby at the family reunion I didn't want to share you. Your Momma would tell everyone that wanted to hold you that her Mini Mommy is doing a good job. I couldn't get enough of you. Then I went to stay with Grandma and Grandpa but while they were on vacation i stayed with your family. You were a toddler and couldn't get enough of me. You always wanted to sit by me. You wanted me to play with you. One night while I was at the Bellview house (the other house wasn't even thought of yet) you came into the living room with your pillow and blanket and slept next to me on the floor. You were the cutest kid ever. When I had my baby you wanted to hold Gabby like a big girl. I was amazed that you loved my baby and you had just met her. You grew up so quick, as I was in Orlando watching my babies grow quickly too.

We didnt get to grow up seeing each other enough except for family holidays or a death in the family. You were always so smiley and bubbly and I loved that and so was I. If only I could hear you and see you one more time and see those beautiful big blue eyes and that smile that was a mile wide, I would hug you tight and never let go.

You will be missed dearly my Little Leah! I Love you bunches my Sweet Angel Girl! You keep an eye on us down here and keep smiling the smile! You will never be forgotten. I love you!
