“Daddy, as this year (2008) comes to a close, I shall always remember the times we shared at PCNC, and the many, many "Pepsi" breaks we had together. I miss you, I love you, and I will see you one day, but until then, borrow a J-45 Gibson, and pick your heart out for the angels sitting next to you!!!! Thanks for being a good daddy to me, and many thanks for all the memories!!!! Love always, Your Daughter.

“Well, old buddy it is hard to say good bye to someone as hard headed as you, but deep in your heart you know we both loved you. At least you are not in any pain now and are in a better place. We will keep in touch with Etta and your wonderful kids until we two old timers join you.
