“ I will remember so many great things about you. You always treated me like I was one of your grandchildren and for that I am eternally grateful. I will miss that "look" you always gave me when I could only eat four of those chicken cutlets instead of the fifty you actually made for me. With much love, it's not "good bye" but "see you later" Grandma.

“ *Aunt Lee: You will always be in my thoughts and prayers. You were the greatest aunt a niece could ever have had. I'll miss those ricotta cookies and all that other fabulous food you would cook when we came to visit. I promise to check on Uncle Bill as often as possible. I love you Aunt Lee.*
