“ Jerry was a very giving person. He cared more than he showed and loved to fish and hunt. He was a very good uncle to my children and taught them many things. He was like a father figure to me and he loved to talk about the lord and how amazing God is. He will be missed.

“ I only saw Gerald when I was in the third grade at Greenville elementary school and he was in the 6th grade. I remember him preparing for the annual spring city wide track meet. How I am able to recall this one time, I don't know, but I specifically remember him running up to the pit for the long jump and my impression was that this guy looked like he had muscles of steel and was about as fast as a lion. All the Brights were good athletes...the girls could out run me. They are a special family to me --Jack Paulk MD
