“ Buddy, the world won't be the same without you. You were the best Godfather to me and my brother growing up. You were the best friend to so many people and the best father to Scott and Diane. Let's not forget the best grandfather as well. We have a lot of great memories that included you and the family growing up. My wish for you is that you are surrounded by love and peace now. You are missed. Sending healing prayers and comforting hugs to the family.

Love,
Marie
