“ I just wanted to say thank you again to both Madre (Helena) & Padre (Leslie) for helping me out, at a time when my life was really crazy & uncertain. They were both there for me and in-fact, were the only ones to attend my high school graduation. It may seem like a small thing but it meant the world to me. I will continue look back with fond memories of speaking to Baba on the phone, walking the track & going to Mass followed by an extended coffee break-with a large helping of gossip at McDonalds on Sunday mornings with Madre and the many times Padre drove me to school in his Volkswagen (diesel) Rabbit, with a rum-soaked cigar hanging out of his mouth, the many evenings spent listening to him play the organ (also with a rum-soaked cigar hanging out of his mouth), helping him catch & release a sparrow, that had gotten caught in the furnace and even arguing with him about who would have to eat the last green bean (from yesterdays dinner) before Madre would let us start the current evening meal. ~Fair Winds & Following Seas~ to you both. Very respectfully, ASC (AW/SW) [Retired] Susan Millman
