“ I was blessed 25 years ago, when Rena came into my life, with that she shared her Mother, her daughter, her brothers and all their family. They have always treated me like I was one of their own. What more can you say about a Woman that had raised her children to be the Family to me, that I never had. I will be looking for you at the Golden Gates of Heaven. Thank you for your love Mama Lily. “ *A woman of extreme strength, courage and love,Who was beautiful, soft and now peaceful and free as a dove.Someone on who our admiration was built around,For her womanhood, wife, friend and grandmother since she was brought into this ground. My Darling Grandma, we will forever hold in our hearts in which we have truly learned the most from, Your strength as a wonderful mother to our mothers and fathers, And which we hope to gain in raising your great grandsons and great granddaughters.My darling grandma, we will always respect all you went through in your hardships and distinguished ways,Your ability to hold yourself with such dignity and pride in all your days, Your beauty shines in us all who were lucky to be part of your devoted family,We` will carry you in our eyes, minds, and hearts in which we have a remedy,My Darling Grandma, that is to hold you close by all you have taught us to do,And to remember the beautiful women we owe our lives to,For giving us life to blessing us with her strong inner spirit of courage,Her unconditional love and her sensual laughter,For being such a person in who will always and have alwaysheld deep in our hearts now and here after.My Darling Grandma, You are taking a little part of us with you as you follow your angels who will guide you to yourprecious place,May you look down on us with pride on what you broughtinto this world with your guidance in which you are now truly our angel of grace.My Darling Grandma, as you enter your new heavenly home,may you rest in peace for which you truly deserve,For you will be truly missed and remembered for your love and honor in which we will preserve.We love you always and forever and may god be with you.*
