“ I was saddened to learn of Ms. Linda's passing. I spent a lot of time growing up with her daughter, Jody and attending church together at Oxford Assembly years ago. What a special family they were to me. She was one of the sweetest people I have ever met, always making me feel welcomed in her home. My condolences to her family.

“ My Dearest Mother, There are no words to express my selfish sadness at this time. I'm so glad I told you how much I loved and adored you daily. So glad that I gave you hugs for no reason other than I love you. I'm especially thankful that God chose you to be my mom. We became best friends. Laughing, enjoying flea markets, christmas lights, birds, gardening, yard sales, rodeos, horse shows, picking up rocks and a lifetime of other adventures. I learned everything from you and only ever wanted to be a mother and wife just like you. You endured pain, struggles, and life with love in everything. I know life became difficult in the later months, but now you are walking on those streets of gold you always talked about. No more pain. No more hurts. You are now with Jesus that you taught us all about and all the relatives and friends that have gone before. I believe in the truth of the Word that you taught us and will see you again. I love you Mom and will miss you every single day of my remaining days. Your #1 !

“ You have always been my 2nd mother. You have always encouraged and supported Bob and I. We love you so very much and will miss you every day. But you always talked about walking those streets of Gold. And I know that's where you are. Rest Easy my beautiful mother in law. I will love you always.
