

Linda Dailey

August 20, 1950 - November 2, 2024

Linda Dailey, 74, of Ocala, Florida, passed away peacefully on Saturday, November 2, 2024, surrounded by loved ones. Born on August 20, 1950, to Charles and Joyce Leto, Linda was a beloved mother, grandmother, great-grandmother, sister, and friend whose warmth and generosity touched the lives of all who knew her.

Linda is survived by her three children, James, Kevin, and Kathryn, her cherished grandchildren, Jaden and Blake, and grandchild, Adalynn. She is lovingly remembered by her sisters Janice and Carol, and brother, Steve. She was preceded in death by her brother, Chuck. Linda also leaves behind a close-knit extended family, including her beloved aunts, uncles, cousins, and many other dear relatives.

Linda worked as a Trade Marketing Analyst for Signature Brands, where she was known for her dedication and kindness. She built strong, lasting relationships with many colleagues, who became an extended family to her. Her warmth and genuine care for others left a lasting impression, and she will be remembered for the special bonds she forged with those fortunate enough to work alongside her.

Outside of her career, she found great joy gardening, where she cultivated beautiful spaces to attract birds and butterflies. Linda's other sanctuary was

her kitchen, where she enjoyed cooking and baking for family and friends. Her gardening and cooking were a reflection of her nurturing spirit.

Linda will be deeply missed; her spirit of love, kindness, and joy will live on in the hearts of her family and friends. She leaves behind a legacy of compassion, beauty, and the enduring power of family and friendship.

A Celebration of Life in her honor will be held at a later date. In lieu of flowers, the family requests donations be made to Interfaith Emergency Services of Ocala or the Arbor Day Foundation.

“ Well Big Sis,
How do I say goodbye to you? How does any of this make sense? How does life go on without you? I will be forever lost. You have always been there through the good and bad moments of my life. Always with encouragement and advice. Your death is so profound to me. There’s a huge selfish part of me (and I’m sure others) that don’t want to accept this. You’ve been called earlier than any of us would’ve hoped for but I want you to know how much I loved, admired and appreciated you. I thank God for the time we did have together and I will forever cherish the memories we shared as children, teens and adults. Even the times you called me an “ignoramus” or the time you told me not to wear a certain color of “red”. I smile and laugh of these memories now because I know it was all out of love. So thank you for all the love and compassion you’ve given me over the years. I can’t express how much I will miss speaking, laughing, complaining and even arguing with you. You’ll always be my “Big Sister”, the one who never put herself first but always helped others. Especially his family. You deserved so much more out of life, more time with your children, more time for yourself, just more time overall. Having you for a sister was Gods choice and I’m so thankful he made us sisters. You’re a part of me and I’ll love and miss you forever. Till we meet again. Love Carol

Our deep sympathies to all the members of Linda's family. We couldn't be more sorry for your loss. Losing you has left a void in our lives that we could never fill nor would we want to. You were a true friend and someone we knew we could always turn to no matter what. A million-dollar girl!!!

My beautiful sister, The loss of you has been extremely hard for me. I think back on our lives in Newark, Matawan and Ocala. You were always there when I needed someone to talk to, someone to put me in my place, someone I could always rely on. I know memories will be with me for the rest of my life and not a day will go by that I won't miss you. Spending time with my niece and nephews will fill some of the void but I will miss your beautiful soul here on earth. Love you sis.
