“ *Linda was a very special lady. I have a lot of memories with her from the time I was a young teen. She was always kind and I always knew her door was open to me anytime. I’m so thankful that I got to talk to her often in the last few years. Lynore and Linda have both been family to me for most of my life and I’m blessed because of that. I love you Linda and I’ll see you again one day.*
