“ *Brenda, Catherine, and Sherri and family. We have fond memories of Linda and your belated father Jake. We had so much fun on camping trips through the Foresters. We also were very close friends and came to your folks home for gatherings. Your mom loved to share her hospitality and kindness. My heart breaks for you all since she left this world and she is no longer physically here, however, she will remain in your hearts. I hope my father was there to greet your mother as well into the pearly gates of Heaven. Someday we will all be together again. Our thoughts and prayers are with you all, Charlene and Neil Zavishlak, Narcene and Terry Bedore and family.* ”
