“ Linda was the most generous and loving friend to us both. There was nothing she wouldn't try to do or fix if it was in her power to do so. I remember when I lost the prayer cards for my father's funeral, Linda went immediately to the printers and got me some more within the hour. We loved her always and our hearts are heavy; words cannot express how much we will miss her.

“ Dearest family, I was very blessed as a younger aggravating cousin to have Linda Belle be so patient and loving to me! She always made me feel loved and special. No matter how many years passed between visits, when I saw her she was always the same...so happy to be with the people she loved! What a blessing to have had her in our lives! You all are in my heart and in my prayers.

“ It is never easy to say goodbye to someone, especially when that someone is so special as was Linda Bell. She was a Thompkins through and through and a special cousin. My heart hurts for all of the family but especially for Aunt Nell. I pray that God continues to give everyone peace with His taking Linda home to be with Him.

“ My dear John: I am so sad to have received your note letting me know about Linda's recent passing. Only a few hours ago, I was at the Christian retreat in Silver Springs, reading the kind words of love you and Linda sent me. I am grateful God placed our families in each other's path when our children were growing up. I remember you living on a sailboat, in a house boat, Victoria park, Dania... So many moves thanks to Linda's successful career as a realtor. I was so impressed with her before & after pictures as you renovated your beautiful home in Ocala. My prayers are with you and the family. Lovingly in Christ, Kyra Battle & Stephanie.
