“ Uncle Jimmy was a wonderful man, a very dedicated husband and father and an awesome roll model. From giving guidance to my brothers, being a friend to my dad, and being an Uncle that I was proud to introduce as one of my favorites. Although you will be missed dearly here by so many, I am rejoicing in the knowledge that you are with loved ones which you have mourned for for so long now, and the knowledge that you are rejoicing in the presence of our Lord and Savior at the feet of our blessed creator. I look forward to being with you when God calls me home. And I will carry you in my heart until we are together again. To those of us left behind I pray for God to comfort us and protect us during this sad and sorrow filled time in our lives. May we find strength in the fact that you were saved and living a Christian life and that you are looking after us until we meet again. I love you Uncle Jimmy! RIP and kiss my mom for me!
