“ *To Aunt Lorette the greatest Godmother anyone could ask for. I'm really sorry we did not stay in touch over the years. I recently heard you prayed the Rosary for me every day and I just wanted you to know your prayers worked! Thank you for doing that. You always made me feel loved and that I could call you if I ever needed anything. I pray God watches over your children and love ones like he has watched over me. I love you and all the comfort your love gave me. Your Goddaughter, Lana*
