“ My condolences goes out to the family and friends of Lorraine Stoner. Losing a loved one is never easy. We all want to spend our lives with the ones we love and death gets in the way of that. But what brings me comfort is Acts 24:15 where it says there is going to be a resurrection. So it's reassuring to know that you can see your loved one again. I hope this has comforted you and your family is in my prayers.
