

Louis Ferrari

November 21, 1952 - October 14, 2016

Louis Julius Ferrari, 63, of Ocala, Florida, passed away on October 14, 2016. He was born on November 21, 1952 in Augsburg, Germany to his parents Julius Joseph Ferrari Jr. and Marie Louise Jettlehouser. Louis was a veteran and retired from the US Army and was very proud of his time served. He was an NRA instructor for many years and loved the sport of shooting. He enjoyed cars, especially Ferrari's and Indian motorcycles and cigars, which you would always see him with one. He was devoted and passionate about building and designing with wood and metal. He built diamond plate bird houses. At work, he was known as "Torch" the welder. His last big job project was a 1947 fire truck. He was also designing and rebuilding a new fire truck into a food service kitchen to travel for special events for the On Top of the World Community in Ocala. He was very proud and honored that he was given the project. Many others helped. The stories others could tell about Lou's life and work. Lou's life was full of crazy, funny, sad and happy times. He was loved and liked in so many ways. He will be missed but not forgotten. The "Torch" will always live on. Love you always, your wife and soulmate. Peanut is missing you too.
