“ Dear Martelli family, I am a community volunteer in the area. I know you do not know me personally but I wanted to extend my sympathy during this difficult time and I wanted to share a few thoughts from the Bible that encouraged me when my grandmother died. In 2 Corinthians 1:3 it says that Jehovah is the god of all comfort. We all were created to live forever just like Adam and Eve were. Unfortunately they rebelled against God and that brought sin and death upon all mankind. But soon Jehovah will see to it that his original purpose is fulfilled. In John 5:28,29 it says "Do not marvel at this for the hour is coming in which all those in the memorial tombs will hear his voice and come out." What a joyful time that will be!
