

Luther Larry Brown

August 26, 1950 - June 17, 2018

Luther Larry Brown Sr., age 67 passed away on Sunday June 17th 2018 at Brooks Hospital in Jacksonville Florida. He was born in York, Alabama to Morgan and Dorothy Brown and the oldest of two brothers. He is survived by his brother Michael, his wife of 48 years Martel, sons Larry Jr. and Carl, daughter Kaycie, grandsons Mason, Grayson, Morgan and Jagger, family and countless friends.

Larry was a concrete contractor by trade and a devoted family man who loved nothing more than spending time outdoors with family and friends. Saltwater fishing was his passion and he was fortunate to spend many, many years on the ocean. We know the grouper and dolphin are resting a little easier these days. We love and miss you dad, you're the best.

“ I fished with Larry Brown for most of my life starting in the third grade in Hialeah Florida in a deep rockpit that held big bass. We would walk miles to a store to buy lures then traveled to nearby canals and lakes on bicycles casting for Bass, Snook, Tarpon, Bluegills, anything that swam. Larry got a 1956 Chevy and we would sneak out of bed in the middle of the night and drive 65 miles to fish for Snook on Turner River and speed back in time to go to school. The Chevy was so fast that we outran the cops one night on the Tamiami Trail leaving the red lights in the distance. I played football with him at parks and at Hialeah High. In 1969 we drove to NW Ontario and caught so many fish we were hired by the camp owner and outfished his resident guides. We cast for Snook from my canoe on most rivers leading into Everglades National Park, then the wildest sections of the park in any boat we had. Larry and I helped his dad build a home in the everglades on Turner River Road and Larry & Marty raised a family near Everglades City. When Larry moved to Ocala I missed him as a fishing partner and I was off covering wars and disasters as a photojournalist so we didnt see each other much. When I needed Larry to bring his boys & crew to pour concrete for the house in the keys, Larry came and we poured the strongest house in the area. I had worked with Larry & his father during summers pouring concrete and this house built with Larry Brown concrete, stood like a rock during Hurricane Irma. No damage. Larry Brown was the best fisherman I ever knew and the best concrete man I ever knew a fishishing partner that cannot be replaced. I know he is in heaven catching Snook on a Red & White Mirror Lure. Thank you Larry for a lifetime of great memories.

“ I was very lucky to know Larry my entire life. He was always to ask about my rodeos and telling me how cool it was to watch me go from nothing into pro level. The Brown family is part of the Erwin family and have been beside us for everything. Larry, you did great with your family and I know that your sitting with my sister (Kali) and watching over all of us. Rest easy big guy. Love, Cole & Jennifer Erwin
