

Maddy Maddux

May 4, 1989 - June 19, 2023

Maddy Maddux, born to Sissy and Rod Maddux on May 4, 1989, left this world to be with God on June 19th, 2023.

Maddy was a vivacious, nature-loving mother of two precious young ladies who did everything and accomplished much, just to make a better life for the daughters she loves and adores. Maddy came into this world 15 months before her childhood best friend and sister, Macy, but was soon greeted by her mentors and loving siblings, Molly and Blake. Maddy was a normal middle child that played dolls constantly with her younger sister, but tried to live up to her older sister's and brother's high standards of life! She was a very talented high school soccer player, but decided to give the medical field a try for college. On the Dean's list every semester at Southeastern University, Maddy proved to all the doubters she was in the right field of studies. Prior to finishing nursing school, she decided to have a family. Being a mom now and still enjoying the medical field, she decided to pursue a somewhat similar career as an Aesthetician. She worked in that field for over seven years before finally working as a Personal Assistant.

Maddy is survived by her two loving daughters, Paisley and Phoenix. She was a loving mother, awesome sibling and an incredible daughter.

Thanks be to God for giving us Maddy for her short time on earth.
