“ *Remembering Aunt Mae ~ whadda lady! Christmas as a kid, her visiting us after I married! The gruff voice, that really meant NOTHING, not a mean bone in her body. We were hoping to get together, but death came suddenly and we were not able! You will be missed by all!*

“ *Grandma mae was a wonderful lady she is now watching down on us and making sure we are all doing right and to my kids and the others the great grand kids will always remember her as grouchy great grandma though she only was stern when they done wrong but had a heart of gold. We love and miss you grandma but now your in a better place. love you always*
