“ *Marcia was such a gentle soul. Even though we had not seen each other for many years, I always remembered her with love, and am so sad that she is gone.*

“ I was so saddened to hear about Marcia. I remember her as a very young girl when our two families did so many things together. Marcia, always happy, smiling constantly, had a heart of gold and just an all around good person. My thoughts and prayers are with her siblings Gene, Susan and Cecil and each of her extended family members.

“ I've always considered Marcia more as a mother than an aunt. After my mother passed away her and Susan took on the role of helping take care of me as I got through my teenage years. I'm thankful to say that Marcia was part of this family because she's someone you could never forget. I could always count on her for her nifty little crafts and decorating for the holidays around the house. I got the chance to live in Ocala for a year while I was in community college and Susan, Marcia, and me were pretty inseparable. Ill miss her walking over to Susan's when I got home from school, her giving me back scratches (she wasn't always so willing), and me being able to talk to her about everything. Ill always think of you when I hear a Journey song, and when I drink a dr pepper. It's been a blessing having you in my life. I'm lucky to have three "mothers" in my life and Marcia will always be one of those three. Love you. (Aunt frog legs)
